COMPANY EXPERIENCE

2014 - Current Colliers International

AREA OF EXPERTISE

Caitlin Matteson joined Colliers International in 2014 and has more than 10 years of experience in the commercial real estate industry. Caitlin oversees and provides research services for the Southern California region, including business information and real estate analytics. She collects, analyzes and report on market trends, including producing the Los Angeles, Orange County and Inland Empire quarterly market reports. Caitlin also assists brokers with business development solutions, landlord portfolio analysis, historical/forecast market trends analysts, industry benchmarking, employment impact studies and client presentation materials. While Caitlin's focus is on the Southern California region, she also participates with national portfolio studies.

EDUCATION

Bachelor of Science in business administration, with emphases in finance, real estate and law, from California State University, Long Beach.
